

The Quality Improvement Grant Report is a required condition of accepting grant funds. An email will be sent to each grantee within 45 days of grant funds being awarded containing a reporting link. The sample grant report below provides the general questions required of each grantee. The report can be completed at any time between receiving the link (within 45 days of the award) and six months.

***A Quality Improvement Grant awardee must timely submit receipts and other documentation relating to any expenditure of Quality Improvement Grant funds. Grant reporting requirements will be completed within 6 months of award notification, as a stipulation of receiving funds.**
